

VET in Schools

Certificate III in Information, Digital Media and Technology (ICT30118)

About the course

This qualification provides the skills and knowledge for an individual to be competent in a wide range of general information and communications technology (ICT) technical functions and to achieve a degree of self-sufficiency as an advanced ICT user. The class is completed once a week throughout the school year at an appropriate location on an allocated day.

Location/s

Temporarily, Integrity Business College is providing VETiS IT courses through our online virtual platform. At Integrity, we conduct our VETiS online classes using Microsoft Teams. Classes will be conducted weekly throughout the school term for three hours, with class times being conducted from 10am-1pm on your designated day of class. Additional support is also offered when required through instant messaging and 'teams calls'.
